ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-In-Savings Disclosure are share accounts.

1. Rate Information. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share Savings, Secondary Savings, "It's For Me" Savings, Holiday Savings, IRA Savings, Health Savings and Share Draft "55+" Checking accounts, the Dividend Rate and Annual Percentage Yield may change quarterly as determined by the Credit Union's Board of Directors. For Money Market, Money Market Plus and High Yield Share Savings accounts, the Dividend Rate and Annual Percentage Yield may change at any time. The Dividend Rates and Annual Percentage Yields are the rates and yield as of the last dividend declaration date, which is set forth in the Rate Schedule. The **Money Market Plus** account is a Tiered Rate account. If your Daily Balance is \$24,999.99 or below, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is \$25,000.00 or greater, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. The **Health Savings** account is a Tiered Rate account. If your Daily Balance is \$2,499.99 or below, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is from \$2,500.00 to \$7,499.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is \$7,500.00 or greater, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account.

2. Nature of Dividends. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. Dividend Compounding and Crediting. The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. Accrual of Dividends. For all accounts, dividends will begin to accrue on non-cash deposits (e.g. checks)

on the business day you make the deposit to your account.

5. Balance Information. To open any account you must deposit or already have on deposit at least the par value of one full share in a Share account. The par value amount is \$5.00. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Money Market, Money Market Plus, Share Draft "55+" Checking Account with Dividends, there is a minimum Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum daily balance is not met each day of the dividend period, you will not earn the stated Annual Percentage Yield. For High Yield Share Savings accounts, there is a minimum Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. Refer to section 7 for details. For accounts using the Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a daily periodic rate to the balance in the account each day.

6. Account Limitations. For Regular Share Savings, Regular Secondary Savings, Money Market, Money Market Plus, "It's For Me" Savings and High Yield Share Savings accounts, no more than six (6) preauthorized, automatic, or telephone transfers may be made from each account to another account or to a third party in any month, and no more than three (3) of these six (6) transfers may be made by check, draft, or debit card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed. For Money Market accounts, minimum deposit and minimum withdrawal is \$100.00. For Money Market Plus accounts, minimum deposit and minimum withdrawal is \$500.00. For Holiday Savings accounts, the entire balance will be transferred to your Share account on or after October 25th and the account will remain open. No withdrawals are allowed prior to the October distribution unless account is closed. For Share Draft 55+ Checking accounts with dividends, if you have a Share Draft Checking for High Yield Savings account you may not maintain another share draft checking account that earns dividends under the same account number. For Share Savings, Secondary Savings, "It's For Me" Savings, IRA Savings, Health Savings, Share Draft Free Checking and Student Checking accounts, no account limitations apply.

7. High Yield Savings Accounts. In order to earn the stated Annual Percentage Yield for the High Yield Share Savings account for the dividend period, the following

criteria must be met each month; a.) Log into Home Banking; b.) Use e-statement; c.) Have 25 debit card transactions or more posted to your share draft checking for High Yield Share Savings account each calendar month; d.) Maintain a minimum balance to earn stated APY. See Rate Schedule for minimum balance requirements; e.) The High Yield Share Savings account must be opened an entire calendar month. If the above criteria are not met for the given month, then no dividend is earned on the High Yield Share Savings Account.

8. Fees for Overdrawing Accounts. Fees may be imposed on each check, draft, item, ATM card withdrawal, debit card point of purchase, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

The rates and fees appearing in this Schedule or any other Schedule provided with this Disclosure are accurate as of the Last Dividend Declaration Date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate and fee information on your accounts, please call the Credit Union.
